

THE CITY OF
BARRON, WISCONSIN

Welcome to the Chamber!

We have noticed the number of businesses who have renewed their Chamber membership is a bit down this year. This is a friendly reminder to please turn in your dues, to ensure we can include you in our future projects. Although we are still working out some project details, you will see an opportunity to sponsor new banners downtown, have your business's name mentioned on reusable tote bags, and more in the coming months! Please keep an eye out for these items, as we want to continue to elevate the role we play in our community and the positive effect we can have on your business!

Have you decided to no longer participate in the Chamber? We would love your feedback! We would like to understand why you left and if you have recommendations that could specifically help us. Please feel free to contact us via email or phone. Thank you!
